

FAQ's

When does online registration close?

Registration will close at the start of your event so if you bring people with you and they want an event shirt, please make sure they register before the start of your event!

I'm rallying my group. How can people register on my team?

On the online form, registrants are asked if they are on a team. This can be the name of a sponsor, name of a hospital, name of a baby or baby's parents, or just a team name you have come up with! Just make sure those you have invited to register know your team name before they register.

Is there a certain date I must register by in order to receive my t-shirt by the day of event?

Yes. Register by September 15, 2024 to ensure that you receive your packet in time. If you register after September 15th, we will do our best to get your preferred t-shirt style shipped in time but cannot guarantee it due to printing turnaround times. We promise to do our best!

When will I receive my Angel Dash packet?

Packets will start shipping every week as we get them ready starting mid-September. The earlier you register the earlier you will receive your shirt!

Sweating just isn't my thing and I don't want a t-shirt. Can I just make a donation?

Yes, we understand. You can make a donation at www.rachelsgift.org. Thank you for your support!

What is your refund policy?

Refunds will not be granted for the Angel Dash. Your registration fee will be considered a donation and you will still receive your Angel Dash shirt!

What time does the event start?

Since you are participating virtually, you can do your run or walk at any time and at any location! If you would like to do it at the same time, you can join us on our Facebook page (facebook.com/rachelsgift06) as we stream the start on Facebook Live, October 19 at 2pm EST.

No matter what you do, please post a selfie of you and your crew running or walking and hashtag it so you can be a part of the pictures of participants for the event!
#angeldash

Where are we walking or running exactly?

You can run or walk anywhere! Or, you skip it and just proudly wear your shirt, we won't tell! Just take a selfie in your shirt and hashtag it #angeldash.

What happens if there is bad weather?

You can make it up whenever you would like. Just remember to hashtag those pictures whenever you do! #angeldash
